Silver Track is an elective program that offers differing degrees of regulatory flexibility and oversight to qualifying entities, based upon their demonstrated capability and environmental performance. This certification form must be submitted with a completed Silver Track application form.

"I certify, to the best of my knowledge and based on reasonable inquiry, that the information submitted in this certification is true, complete and accurate, and the facility for which this application is submitted is currently in compliance with all applicable State and Federal environmental requirements and it is our intent to stay in compliance. It is my understanding that this certification applies only to eligibility or ineligibility for participation in the Silver Track Program. I understand that false certification will result in removal from the Program."
